

HY-C Fireplace SmokeGuard™ Eliminates Smoke Rollout!

Keeps Smoke Going Up The Chimney

- Prevents Smoke Rollout
- Available Brass Plated (Shown)
- Fits Fireplace 28 1/2" to 48" Wide
- Smooth Black Satin Finish
- Spring Loaded For Easy Installation
- Heat Resistant Adhesive Caulk (included)
Seals SmokeGuard™ In Position

NOTE:

Most fireplaces smoke because opening is too high. SmokeGuard™ in effect lowers the fireplace opening. Holds in smoke and easily corrects the problem!
